This index for Volume 13 differs from any of the previous ones. Whilst of singular use to

some, the very detailed tabulation of much of

the content takes a lot of time of the volunteers	3	Augi	ust 2019	(171)	97–124	9	February 2021	(177)	333–380
doing the work. We hope that the Index as	4 5		ber 2019 uary 2020	(172) (173)	125–164 165–208	10 11	May 2021 August 2021	(178) (179)	381–428 429–484
now presented is still of use and will help you navigate though the wealth of material contained in each issue of <i>Cumbrian Railways</i> .	6		2020 2020	(174)	209–248	12	October 2021	(180)	485–524
